*Continuing Studies on the Matter of Appropriate  
Gender-Related Functions and Ministries*

"But I do not allow a woman to teach or exercise authority over a man, but to remain quiet (*1Tim. 2:12*)... The women are to keep silent in the churches, for they are not permitted to speak, but are to subject themselves, just as the Law also says. But if they desire to learn anything, let them ask their own husbands at home, for it is disgraceful for a woman to speak in church (*1Cor. 14:34-35*)... But I want you to understand that Christ is the head of every man, and the man is the head of a woman, and God is the head of Christ (*1Cor. 11:3*)..."

## Africa Update

From: Pastor Keith Merriman (Nov. 21, 2023)

Dear beloved brethren,

Give thanks to the Lord for He is good, His mercy is everlasting! How thankful I am for all of you for your prayers and gifts for Africa.

**Pastor Salomon Zambo:** Pastor Salomon has been very sick this past week. He has had very high blood pressure, his left arm has been very painful (at the hospital yesterday and today having heart tests), he also has typhoid and malaria again. Please pray for healing and strength! We are waiting to hear results of heart tests.

**Pastor Simon Peter Otudo:** I spoke with him today. They baptized 15 people last week at Kwarkwar GBC (3 from Kwarkwar, 7 from Aligoi GBC and 5 from Komelekus GBC). Last week they also had 15 practorium men studying with Pastor Simon Peter (see *photos below*).

One of the most exciting updates is that Pastor Simon Peter has started two new churches. One is in Kalaki, Uganda and there are 15 people attending. Practorium student Ogwang John is pastoring these people. The other work is in Kamacha, Uganda; a couple in their 60's wanted a good church in their town. Another practorium student is pastoring that work:

Oturungo John. (***Continued on back*** 📄)

Please pray for these new churches and the men pastoring them that the Lord would continue to bless.

Also Pastor Simon Peter will be traveling to Kenya next week to meet with Pastor Gilbert Amaswache and his practorium men. Pray for journey mercies and blessings on their ministry together.

How we give thanks to the Lord for all He is doing in Africa. God bless, Happy Thanksgiving! Keith

Dear beloved brethren, I spoke with Pastor Salomon today and the heart tests came back negative. Thanks for your prayers. The doctor said the pain in his arm is rheumatism. Salomon is still sick but getting better. His blood pressure is down and he needs rest. You know it is hard to get him to slow down. Keep praying for his health and renewed strength. God bless, Keith
